MILAN, ITALY

“AB—
OUT
US”

We are an industry-leading platform in the global luxury sector. Established in 2020 by a consortium of investors and entrepreneurial families, our group provides innovative solutions and services ranging from product development to production, supporting brands in the clothing, footwear, leather goods, and intermediate processing sectors. With a turnover of more than 600 million in 2022 and more than 3300 employees in 9 regions of Italy, Gruppo Florence is proud to partner with more than 70 international brands.

MISSION

Creating advanced solutions for brands, through an ecosystem that generates added value thanks to industrial development, ecological transition, knowledge transfer, and the technological and digital transformation of manufacturing laboratories.

VALORE
ITALIA,
CRAFTING
EXCEL—
LENCE

BELIEVING IN THE POWER OF VALORE ITALIA, GRUPPO FLORENCE IS COMMITTED TO PRESERVING AND PASSING ON THE HERITAGE AND EXPERTISE OF EACH LABORATORY TO THE WORLD AND FUTURE GENERATIONS. The foundation of the project is laid by the laboratories that make up the Group, where design, prototyping, engineering, production and quality control of clothing, leather goods, footwear and intermediate processing lines converge.

EMME GI

Great technical know-how and understanding of the world of luxury fashion allows the company to respond insightfully to all customer requests and market trends.

PRESTIGE AND CRAFT— SMANSHIP MADE IN ITALY SINCE 1880

Thanks to more than a hundred years' experience, **Emmegi** represents a model of aesthetic refinement and functional optimization, conveyed in every single garment.

PARMA MODA

Parmamoda is a company founded by sisters Giovanna and Francesca Bertagna, who have transformed a workshop originally used to train skilled workers into a hub of haute couture.

A CREA— TIVE DREAM TURNED INTO REALITY

Thanks to their entrepreneurial skills, the Bertagna sisters have successfully combined the craftsmanship experience gained in the workshop with an innovative vision.

GIUN TINI

Behind Giuntini's success is the savoir faire and artisanal experience of Landa Sabatini, "the double lady", who back in the Sixties turned her passion into a highly successful international company.

THE CORE OF THE COMPANY, TRUE SARTO— RIAL LUXURY

From prototype to product delivery, via the creation of garments for runway shows, sampling and production. Thanks to its ability to manage and optimize a complex and delicate production process, today **Giuntini** creates over **6000** prototypes each year and has a production capacity of **400000** high-end garments, 50% of which are outerwear items.

FRE DIANI

With over 30 years' experience, Frediani provides consulting services to the most prestigious luxury brands, offering creativity, expertise and a solid tradition in the art of pattern making.

EXPERTISE AND EXCELLENCE, ONE GENERATION AFTER ANOTHER

From concept development to catwalk, the company strives to translate stylists' creativity into finished products of exceptionally high quality.

CONFEEZIO NIELLEDUE

Since 1976 Confezioni Elledue has represented a crossroads between tradition and innovation, a model of refinement for the whole world of luxury tailoring.

ONE WOMAN'S PASSION AND THE ALLURE OF PERFECTION

Every product is enhanced by sophisticated haute couture processes and by meticulous finishes that allow the company to stand out in the international luxury fashion market.

AUTHORS AND WITNESSES OF ITALIAN SAVOIR FAIRE

A leader in the creation of total look haute couture clothing, **Confezioni Cam** is valued and sought after for the outstanding quality it injects into every garment produced. Deftly combining craftsmanship tradition and innovation, the company offers elegance and style to an increasingly demanding and sophisticated clientele, consolidating its reputation as a benchmark of excellence in the luxury fashion sector.

CONFEEZIO NICALAM

Originally established as a tailoring workshop, the company has prospered thanks to customer loyalty, the direct result of the quality and meticulous nature of its work. With 20 years' experience in the sector, **Confezioni Cam** aims to expand and continue to consolidate its collaborations with leading international fashion houses.

SIPAFF

Founded in 1977, the company is specialized in the production of high-quality shirts and is renowned for its ability to reinterpret Italian sartorial tradition with modern designs. Exquisite materials, meticulous processes and total reliability make Sipaff the perfect partner in the global luxury fashion market.

PASSION AND STYLE IN THE HEART OF LUXURY CLOTHING

Classic shirts, deconstructed or hybrid models like shirt/jacket or shirt/coat together with products featuring innovative combinations and unique details like appliqués, embossing, embroidery, pleating and special finishes. This versatility allows the company to offer a fully customized service catering to a vast range of requirements, and to confirm its supremacy in the sector.

CIEMMECI FASHION

Sophisticated and exclusive techniques make Ciemmecci Fashion the best choice for fashion companies looking to imbue their products with the essence of Made in Italy.

IDEAL BLUE

The company has adopted world-leading laser technology to revolutionize the denim washing process. This innovation enables laser marking during the garment manufacturing process.

TUSCAN INDUSTRIES OF FINE CRAFTSMANSHIP

Ciemmecci Fashion imagines a world where art is the driving force of creativity, and believes that beauty encourages an approach that is open to experimentation.

“IF IT CAN BE IMAGINED, IT CAN BE MADE”

As a textile manufacturer that avails of advanced technology to deliver creative, advanced solutions to support its customers, it is a trusted partner.

MELY'S

Mely's combines the heritage of Italian sartorial tradition, the work of skilled hands, and technological innovation, guaranteeing end results of exceptionally high quality.

“LET'S GO,
I FEEL
SOMEONE
IS WAITING
FOR ME
IN PARIS”
Madame Sanarelli

Knitwear is a complex art form that requires skilled handwork as well as the use of extremely hi-tech machinery designed to carry out the most complex processes.

LEONELLO SPAGNOL

For over 70 years, Leonello Spagnol produces high-quality knitwear garments, with an unwavering commitment to improving production methods and technologies.

KNIT—
WEAR
EX—
CELLENCE,
SINCE
1949

A propensity for versatility leads the company to constantly explore the endless possibilities offered by knitwear, proposing exclusive and innovative sartorial creations.

PASSION,

MANSHIP:
STATE—
OF—THE—ART
KNITWEAR

With over 30 years' experience, Metaphor stands out for its constant innovation in terms of style and production methods for high-quality knitwear, consolidating its position as a leading company in advanced technology for knitwear. Thanks to a wide range of weaving techniques, it works closely with designers at all stages, from the choice of materials to delivery of the collections.

METAPHOR

Metaphor is an Italian company based in Carpi which specializes in the production of extremely high quality knitwear for leading international luxury brands. A team of highly qualified employees and a cutting-edge weaving department handle every type of order, from prototypes to mass production.

FACO PEL

A historic hat factory established in 1908 with the aim of serving boutiques Italy's biggest cities; it now manufactures hats for major Italian and international luxury brands.

A GREAT ITALIAN STORY OF DEDICATION, CARE AND CREATIVITY

Facopel is founded in 1908 by Enea Conti in Valdinievole: a builder by trade, he decides to make caps from the offcuts of fabric which his wife sells by the meter at local markets.

ANTICA VALSERCHIO

Antica Valseserchio represents a synergy of past and present. At its heart is a passion for the precision, elegance and meticulous craftsmanship of products.

THE ART OF WEAVING, THROUGH HISTORY TO MODERNITY

The company brings Tuscan craftsmanship heritage to production that avails of cutting-edge technologies, strengthened by over 70 years' experience.

ERI KA

Specialized in the selection and processing of exquisite materials and fine yarns, Magificio Erika creates innovative knitwear garments that epitomize the prestige of Italy's textile tradition.

A CONTINUOUS QUEST FOR AESTHETIC AND FUNCTIONAL PERFECTION

Prototyping, samples, weaving, treatment, garment manufacture, finishing and ironing. The professionalism and efficiency guaranteed at every stage of the production process have, over time, consolidated the growth and success of the company, which works with the most prestigious Italian and international high fashion brands.

MANIFATTURE CESARI

Founded in 1988 by Stefano Romolini and Erika Gerda Cesari, **Manifatture Cesari** boasts extensive experience producing jersey for the luxury fashion sector.

INNOVATION IN JERSEY SINCE 1988

A synergy between cutting-edge machinery and artisanal know-how enables the company to create iconic products of superb quality in the world of jersey.

PIGO LOTTI

Just like in Perugia's workshops during the Renaissance, at **Pigolotti** skilled craftsmanship is combined with new technologies, driving ongoing research on jersey.

SINCE 1979, A GREAT STORY OF EVOLUTION IN JERSEY

Investment in the professional growth of its multi-generational workforce is vital to ensure a leading position in the sector and to guarantee quality and originality.

AN INTERNATIONAL CENTER OF EXCELLENCE FOR JERSEY PROCESSING

Barbetta is also renowned for its ability to research, propose and implement innovative materials, sewing techniques and cleaning processes for finished products and accessories. The company's washing and dry cleaning systems ensure every garment is handled with the utmost care, guaranteeing a soft handle and minimum pilling. "Expert professionals who skilfully interpret an artistic design".

BAR BETTA

The company produces complete menswear, womenswear and children's collections, handling all stages of the production process in-house. **Barbetta** avails of advanced systems for the processing of fabrics and accessories, with automated cutting technologies and a tailoring department organized to guarantee maximum efficiency and stringent quality control.

OFFICINA CIEMMECI

Founded in 2015, Officina Ciemmecci is located in San Miniato in the province of Pisa. The company is driven by the desire to offer highly innovative solutions characterized by outstanding creativity and technological know-how. Specialized in elaborate treatments and prints on leather and fabrics, the company operates with total respect towards the resources and communities with which it works.

THE FINEST CRAFTSMAN— SHIP FOR TIME— LESS LEATHER AND FABRIC CREATIONS

Experts with the most sophisticated sartorial skills and highly qualified technicians work together to guarantee integration between traditional techniques and new technologies: an ideal balance between authenticity and innovation that represents the best of Made in Italy coupled with the latest discoveries in the leather industry.

ABC RICAMI

The story of Raffaella Gelli and her family-run business in the embroidery industry represents a tangible example of how entrepreneurship can be driven by determination and resilience.

RICAMIFI CIO GS

Synonymous with embroidery of exquisite quality and refinement, Ricamificio GS is renowned for its ability to create unique, extraordinary decorations.

THE ART OF EMBROIDERY, COMBINING TRADITION, INNOVATION, AND STYLE

The key to ABC Ricami's success lies not only in the company's modern approach and technological efficiency, but above all in the skills and expertise of its workforce.

FROM DREAM TO DECORA— TION THANKS TO EXPERT EMBRO— IDERY

Craftsmanship expertise, technological innovation and attention to detail make Ricamificio GS a benchmark of excellence in the sector, consolidating its global reputation.

NOVA RESE

Preserving the manufacturing tradition of the Marche region but with its own original and innovative approach, adapting to the needs of the biggest luxury brands in the world.

ENTERPRISE, MODERNITY AND PASSION FOR QUALITY SHOES, SINCE 1946

Constant research in machinery, manufacturing methods and techniques to keep evolving, embracing global market trends while staying true to our Italian identity.

CALZATU RIFICIO LORENZA

Founded in 1996, Calzaturificio Lorenza has been creating luxury footwear for men, women and children thanks to cutting-edge shoemaking techniques and attention to detail.

CRAFTS MANSHIP AND EXPERTISE IN EVERY SHOE

From the cutting out of leather to the stitching of soles: every step is executed with care and precision, thus guaranteeing an end product of impeccable quality.

EXPERT CRAFTS MANSHIP AND CUTTING EDGE TECHNOLOGY

A deep understanding of haute couture and decades-long experience guarantee a sophisticated style that is appreciated worldwide. Taking shape in modern, functional premises, every product is the culmination of next-generation technologies and highly specialized skilled workers. Craftsmanship, precision and modernity enable a constant pursuit of exclusive aesthetic solutions that respond to the needs of the market.

TAC CETTI

Taccetti represents the pinnacle of excellence in fashion footwear manufacturing, combining centuries-old sartorial tradition with the latest design trends. Its passion for craftsmanship and its unwavering pursuit of innovation are expressed in footwear that exudes unique charm, capturing the essence of style and sophistication.

EFFE BI

EffeBi is a shining example of how passion, expert craftsmanship and family management, can create a solid company in the luxury leather goods sector.

EXCELLENCE IN LEATHER BAG PRODUCTION

The company is specialized in managing all stages of production, from the design concept to completion of the finished product: this represents genuine excellence.

ALBA

Alba boasts a long tradition of excellence in the production of leather goods and a prestigious reputation thanks to its unwavering commitment to quality craftsmanship and innovation.

CRAFTSMANSHIP EXCELLENCE IN LEATHER GOODS PRODUCTION

Mindful of the importance of tradition, the **Alba** team is constantly exploring new technologies and innovative processes to improve the quality of products.

The name **Flōrentia** derives from the Latin **Flōrentes**, which was used to indicate its lush plains.

“FLORENCE”

/ **Flōrens** / **adj.** Latin flourishing, blooming, lush.

/ **Flōrentia** / **n.** Latin noun that appears during the early Etruscan settlements, which adopted the Latin epithet **flōrentes**.

/ **Florence** / **n. (geogr.)** English for Firenze, the Italian name for the city of Florence.

Florence Florence is not just the name of a famous city. It's not just the cradle of high-quality textile manufacturing since the Middle Ages. And it's not just the epicenter of the thought revolution that, with humanism, placed the human being at the center, as well as the cradle of the Italian Renaissance. It's not just a place, but a state of mind.
